

The Funniest Movie!

By Josiah

André and I saw a hilarious movie one day. It was his birthday so we invited him over. We played for a while then I asked him, "What movie would you like to see?" He said, "Despicable Me!" So we went to the movie at 4:00 or 5:00 P.M. Then my bud and I got some butter popcorn and delicious lemonade and watched the funniest movie. The most fun part was that it was in 3D! And it was hilarious! It was a fun time and a great movie!
